

1 The comedy series 'Blackadder' stars Rowan Atkinson. One series was set in the times of Queen Elizabeth I, and another in the trenches of the First World War. Edmund Blackadder also appears as the butler to George, the Prince Regent. One of the characters in that series is Doctor Johnson, who is seen to be compiling a dictionary.

2 The **real** Doctor Samuel Johnson - who died on this day in 1784 - spent 8 years preparing his dictionary of about 40,000 definitions. He was also a poet, and is remembered for short phrases (sometimes comical) that sum up a situation.

3 He wrote this simple statement:
*"True greatness
 consists in being great
 in little things."*

4 *Let us pray:*

**Lord, I need to keep an eye
 on the small things in life
 as well as the bigger issues,
 because my thoughts
 become my attitude,
 my attitude becomes my words,
 my words become my actions,
 and my actions form my character.**

**Be there, Lord,
 in that instant before every thought,
 that I may choose wisely
 my thoughts and my attitude,
 my words and my actions,
 so that I may grow in friendship
 with those
 who become part of my life.**

**Show me, too,
 how best to encourage others
 to reach their potential.**

Amen.

5 *"True greatness
 consists in being great
 in little things."*
